

ABOUT THE MAJOR

The University of West Georgia Tanner Health System School of Nursing Undergraduate Program offers a Bachelor of Science in Nursing (BSN) degree on two campuses. The Carrollton campus offers a six semester program and the Newnan campus offers an eight semester program. The traditional track offered on these campuses are for students who have never been licensed as an RN. This program prepares graduates who are eligible to apply to take the NCLEX-RN, the national licensing examination to become a Registered Nurse. The Traditional BSN program admits once each year in the Summer.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone's experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.

Visit westga.edu/program-maps for the latest version of this major map.
