

## ABOUT THE MAJOR

The BFA Program is considered to be the professional degree for those students interested in graduate school or pursuing other career opportunities in the visual arts. The intensity of this degree results in students becoming proficient in a specific studio area while augmenting it with studio areas outside their concentration. The BFA in Art program at UWG currently offers seven concentrations that are chosen by the student after they have completed their foundation classes.

The current concentrations offered at UWG are: Art Education, Ceramics, Graphic Design, Painting, Photography, Printmaking, and Sculpture
